Three pools, a roof-top fine dining restaurant, an open-air wedding chapel and nightly cocktail hours only add to the deluxe escape.

The commodious Angel's View Suite, with king size bed, features garden and ocean views and a small outside terrace with a table for dining. The Mexican painting of Our Señora de Refugio is circa 1840. In the bathroom hangs a 19th century Mexican oil painting of San Francisco de Paula. It is most likely from the Zacatecas region.
