Day 02
Finland

Awaking to the fresh arctic air, you will be served a delicious breakfast catering. After breakfast, it is time to head out and explore.

Your guide will come and collect you and take you to the dog sledding. You will be taken to the kennels in order to meet your team of dogs who will take you on a dog sledding trip. You will be provided with all equipment, taught how to drive your team and then taken out in to the wilderness. At the beginning the dogs make a lot of noise, but soon it will be completely silent - the only sound is from the feet of the dogs hitting the snow!

Meals: Breakfast

Day 03
